

Alaska Department of Health & Social Services
Office of Substance Misuse & Addiction Prevention

Alaskan health care providers with a DEA license:

Pain Management, Opioid Use, and Addiction in Alaska.

This one-hour, web-based training meets new state training requirements related to addiction, pain management, and opioids.

Approved for 1.0 AAFP Prescribed credits.

This newly launched CME/CNE for providers is participant led and is presented by Alaskan medical experts in pain management, addiction, and public health.

This course is just one option available to providers to complete this requirement. Other courses can be found on our State of Alaska's Opioids website (<http://www.dhss.alaska.gov/dph/Director/Pages/heroin-opioids/education.aspx>) or from another accredited resource that meet the requirements.
