

# EDUCATION & TRAINING

## **NEW Webinar Series Starting March 2019**

### **Substance Use Disorder: Prevention, Promising Practices, and Ethical Considerations**

Join us from March-August 2019 for a six-part webinar series focusing on Substance Use Disorders (SUDs) concepts, including **addiction, prevention, provider self awareness and bias, and harm-reduction.**

Each **one-hour webinar** is led by subject matter experts and begins at 12PM PST:

- **Addiction & Brain Chemistry** - March 13  
*with Asif Khan MD*
- **Engaging in Ethics: Principled Addiction** - April 3  
*with Kimberly Walitzer at Oak Orchard Health*
- **Opioid Primary Care Toolkit** - May 1  
*with Matthew Perez, MD, Family Physician at Neighborcare Health*
- **Harm Reduction** - June 5  
*with Susan Collins at University of Washington*
- **Chronic Pain Management** - July 10  
*with Marian Wilson at Washington State University*
- **Team-Based SUD Treatment** - August 7  
*with with Charles Watras at Sea Mar Community Health Centers and Anne Shields with UW AIMS Center*
