

SAVE THE DATE

Alaska Lung Cancer Screening Learning Collaborative Kick-off

NOVEMBER 5, 2019

8 a.m. – 2 p.m.

Anchorage
BP Energy Center

You are invited to join health care organizations across the state to connect, share, and learn how to:

- Implement a lung cancer screening program within different types and sizes of facilities.
- Address barriers to lung cancer screening in Alaska.
- Improve the quality of your program.

This is the first in a series of in-person meetings, hosted by the American Lung Association in Alaska and the State of Alaska Department of Health and Social Services, with the objective of increasing appropriate lung cancer screening in our state.

WHO SHOULD ATTEND?

Lung cancer screening program staff, provider champions, hospital/clinic administrators, anyone interested in supporting a lung cancer screening program at their organization. Ideally 2-3 individuals from each organization should attend.
